abbreviations table of destinations and index

the g20 oecd principles of corporate governance help policy makers evaluate and improve the legal regulatory and institutional framework for corporate governance with a view to supporting economic efficiency sustainable growth and financial stability they are one of the key standards for

this book explores the connection between ownership on one hand and immunity from legal responsibility on the other it presents a definition of the concept of beneficial ownership the reasons for its concealment and failures in international legal structures and arrangements globally states confront complex crimes such as corruption tax evasion doctrinal fanaticism slave trafficking terrorism and war at the personal level men and women may seek to escape their creditors to disinherit unwanted heirs to cheat divorced partners and to appear straightforward when this is not the case the response of politicians and regulators has been a global state initiative to identify beneficial owners via public registers to promote transparency and accountability yet at the same time there is an equally powerful global and personal counter initiative to promote beneficial ownership avoidance where there is no owner there is no accountability this book examines what ownership means in legal terms across multiple legal systems and explains why singling out ownership as being pivotal to state and personal accountability is a strategy both flawed and disingenuous it is argued that an apparent lack of political will coupled with shape shifting definitions of ownership have resulted in tokenism particular attention is paid to those orphan structures which have evolved from standard models or which have been designed for the purpose in each case of facilitating ownership concealment and avoidance the author explains how the virtual world of the blockchain crypto assets and cryptocurrency and virtual entities such as the decentralised autonomous organisations daos all of which elude legal classification have opened a new world of possibilities applicable across all jurisdictions and legal systems the book will be a valuable resource for academics researchers and policy makers working in the areas of financial crime regulation compliance business and accountancy

the third edition of this leading text on corporate finance includes the post brexit adaptation of uk company law and capital market regulation new cases on parent company liability in tort creditor facing duties of directors issuer and director liability for misleading statements to the market and alternatives to public market financing

the comparative law yearbook of international business published under the aegis of the center for international legal studies austria in this 44th volume aims to add to the contemporary discourse by exploring a wide array of challenges faced in the arena of business law it serves to provide insight to business law practitioners and academics on the latest developments the following topics have been discussed how uniformity of the treaties and conventions is compromised after they are subjected to the varied interpretation of domestic law how the contractual laws of different jurisdictions deal with situations such as global health crises the role of the world trade organization in enhancing the legitimacy of global economic governance within the scope of the trade laws how the concept of naked licensing in trademark law differs in the united states united kingdom and india how the best effort clauses operate as a mechanism to deal with unenforceable obligations in pandemic like situations and how it is difficult to implement and comply with the same whether prime finance is the last link in the global governance of financial institutions on international law making or just a part of the social circle whether mediation should be made compulsory for all commercial litigation cases or is it time for the new rendition of halsey v milton keynes the legal challenges faced by the adoption of insurtech in the fintech industry how the ex post mechanism of corporate insolvency and bankruptcy laws differs with respect to the rights and position of creditors in the liquidation process in india and germany how the corporate governance code varies across different jurisdictions such as mainland china hong kong south korea singapore japan and germany how the international investment law uncovers the inequalities between foreign investors and states developed and developing states and foreign and domestic investors the authors are practitioners and academics from argentina australia belgium china finland germany hong kong india

singapore south korea and the united kingdom they provide a nuanced perspective on a large spectrum of issues witnessed in the arena of business laws

csr has now moved beyond the stage of specialist or niche subject to become an integral part of global business and society this timely edition is destined to become the definitive guide to csr sustainability business ethics and the organizations and standards in the field the a to z of corporate social responsibility is a unique publication and is the culmination of over a hundred of the world s leading thinkers opinion formers academic and business people providing an easy to use guide to csr from general concepts such as sustainability stakeholder management business ethics and human rights to more specific topics such as carbon trading microfinance biodiversity the base of the pyramid model and globalisation in addition to definitions of the most important terms across the wide range of csr associated topics this book also covers all the most important codes and guidelines such as the equator principles the un global compact and iso standards as well as providing background on organizations such as the world business council for sustainable development and transparency international and profiles of csr in particular industries and regions this paperback edition includes all the latest developments in csr as well as incorporating new sections on boardroom pay the sub prime market and the financial crisis praise for the first edition a complete reference guide offers an invaluable combination of lessons learned and best practice for the future provides first hand insights forum csr international october 2008 this is a timely and innovative contribution to the field of corporate social responsibility retail leisure international february 2008 a handy reference to have on the shelf behind your desk ethical performance february 2008 you will not find a wider display of today s key global players and their action programs than here csr news net may 2008 the book contains a great deal of detailed research supply management may 2008
